

*Earth Day*

IN THIS TOGETHER

**STRESS RELIEVING COLORING  
PAGES & QUOTES**

# COLOR

And celebrate the artist within.

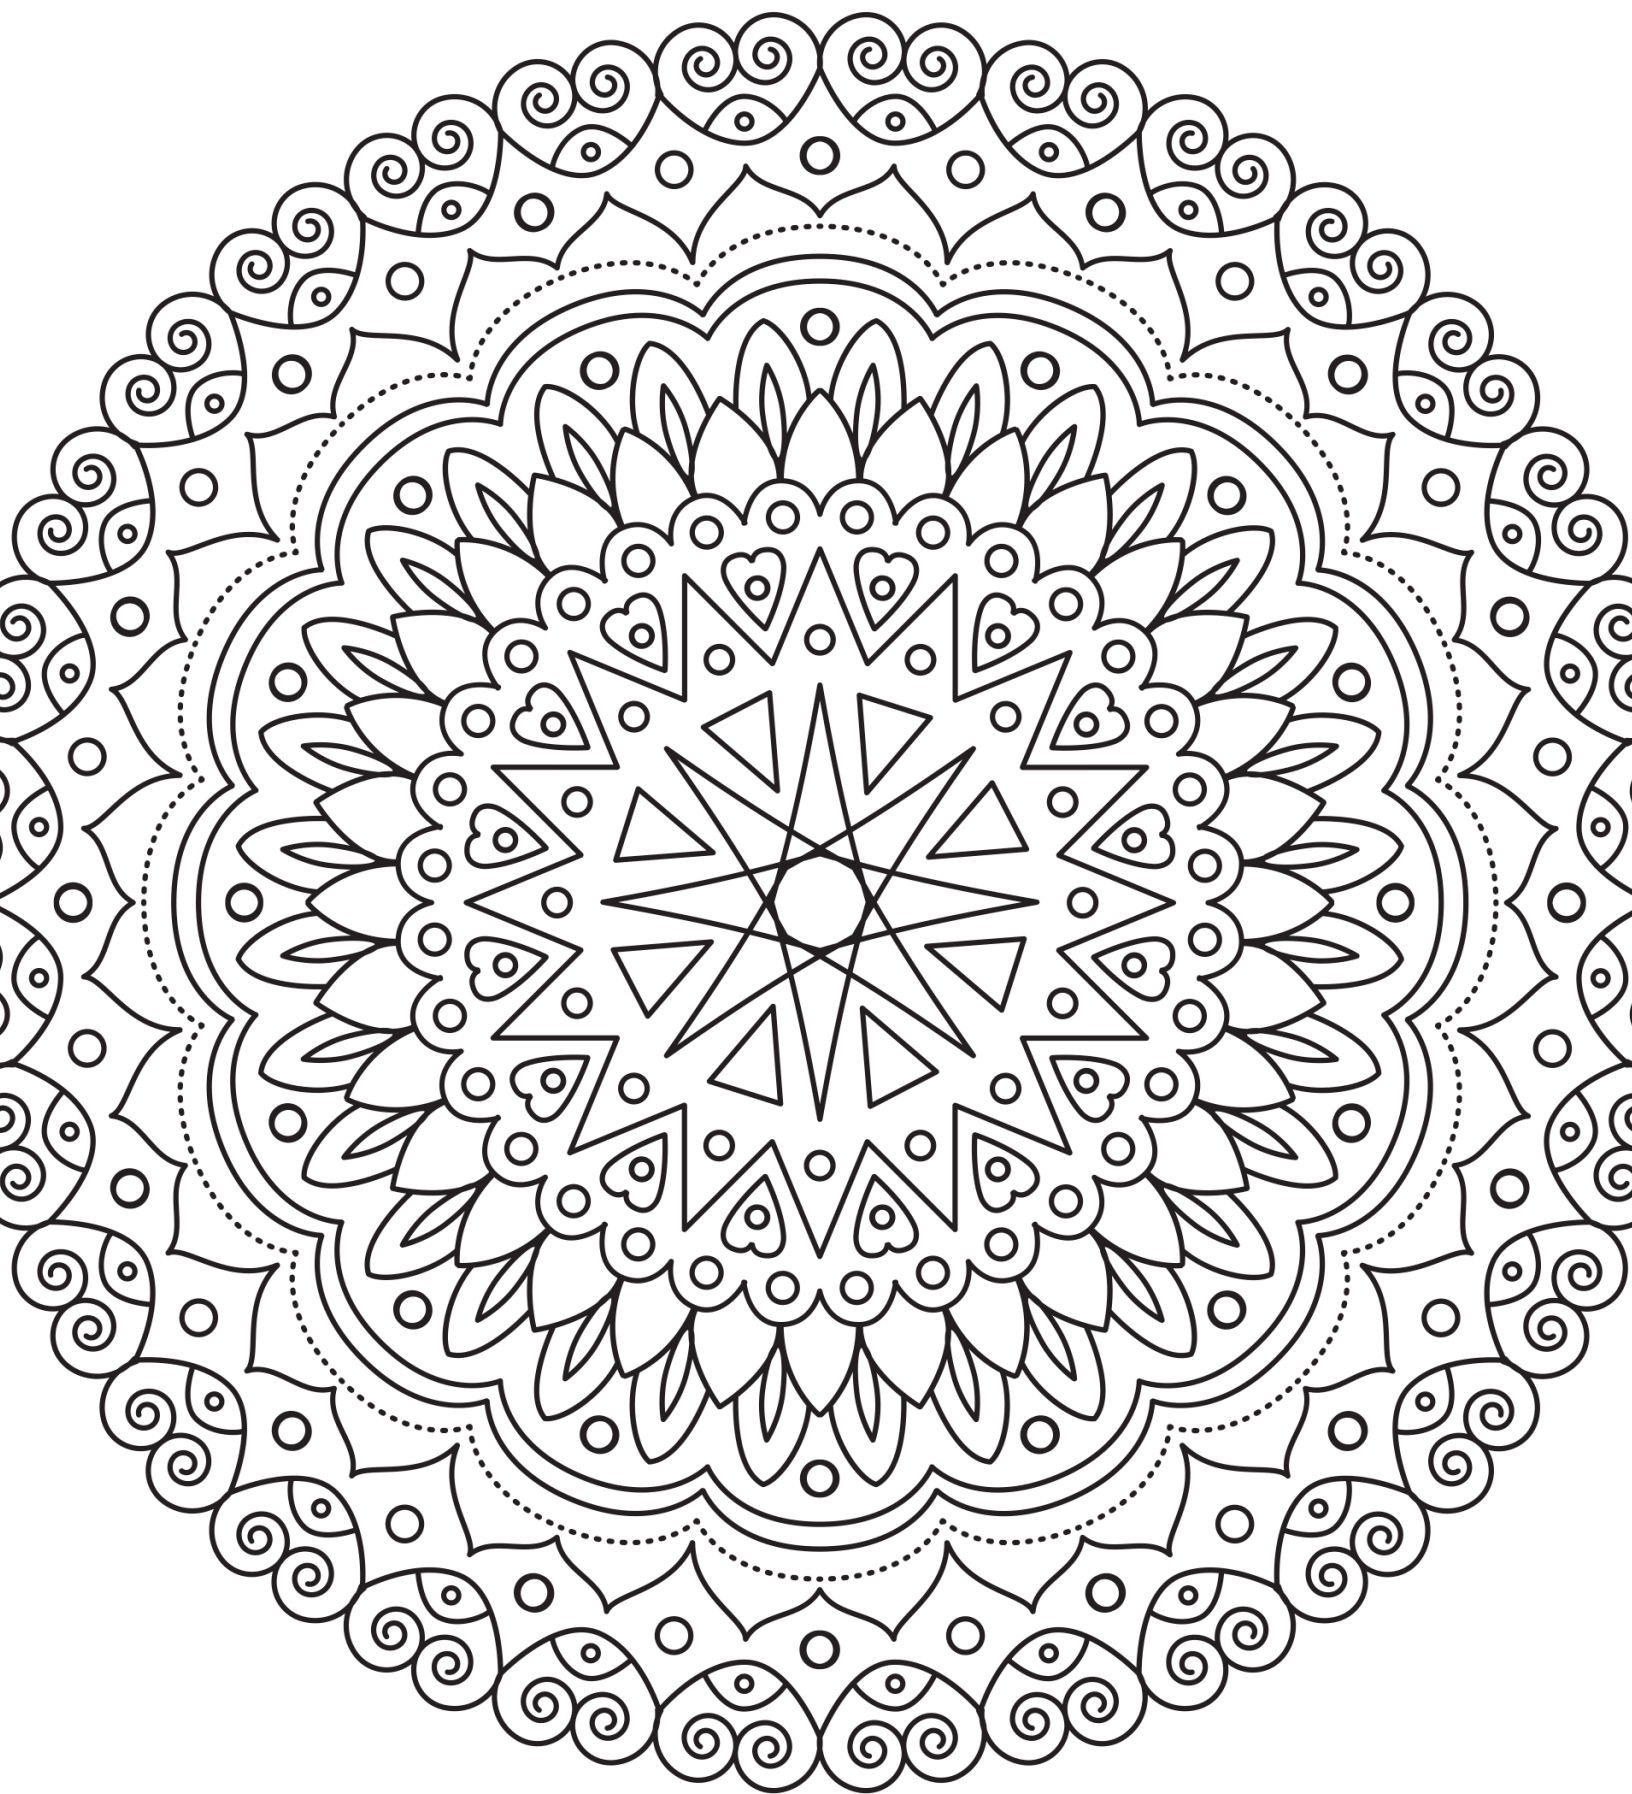

Coloring is a great way to wind down, zone out and relieve the confining stresses of the day.

While you have some free time, please take a moment to review the new Sustainability Report included. I hope this provides insight to how The John Roberts Company operates – what we do to preserve our Earth, strengthen our communities and lower operation costs – which ultimately saves you money!

Happy Earth Day,

Marnie Janezich  
President  
The John Roberts Company
